Deliver a Great Returns Experience while Saving Time and Money

Today's online shoppers expect an easy and free package returns experience. But, e-tailers have had to absorb the cost of including a USPS return label in their shipment—whether the label was used or not—*until now!*

Introducing Pay-on-Use Returns from Endicia!

Unlike regular USPS labels, Pay-on-Use Return labels are not pre-paid. Postage is only deducted from your Endicia postage account **if and when** the return label is scanned in the mailstream. This means you can now provide your customers the convenience of return postage labels without the risk of paying for or spending valuable time requesting refunds for unused return labels.

Only pay for return labels that are actually used!

1. **Select your Return Service mail class:**
